

CIGARETTE MINIMUM PRICING

MEMORANDUM

TO: ALL CIGARETTE DISTRIBUTORS AND WHOLESALERS

FROM: SOUTH DAKOTA DEPARTMENT OF REVENUE

RE: CIGARETTE PRICES ESTABLISHED PURSUANT TO SDCL 37-10

DATE: 11-30-2012

The following rate chart is provided for your convenience as a guide in complying with SDCL 37-10. If your price per case from the manufacturer is the same as those in this chart then this chart reflects the presumed markups of 4% cost of doing business, 1.5% cartage and 8% retailer markup set forth in SDCL 37-10-6 and 37-10-10. It also reflects a state tax rate of 76.5 mills per cigarette. For the purpose of this chart, also be advised **that we have presumed a 2.5% discount**. Other **INVOICE** reflected discounts which may be offered, by the manufacturer on a random basis, are not included in this guide but may be used to compute the minimum price. This chart shall be effective from and after the date hereof until superseded.

MEMORANDUM

TO: ALL CIGARETTE DISTRIBUTORS AND WHOLESALERS
FROM: SOUTH DAKOTA DEPARTMENT OF REVENUE
RE: CIGARETTE PRICES ESTABLISHED PURSUANT TO SDCL 37-10
DATE: 04-1-2009

The following rate chart is provided for your convenience as a guide in complying with SDCL 37-10. If your price per case from the manufacturer is the same as those in this chart then this chart reflects the presumed markups of 4% cost of doing business, 1.5% cartage and 8% retailer markup set forth in SDCL 37-10-6 and 37-10-10. It also reflects a state tax rate of 26.5 mills per cigarette. For the purpose of this chart, also be advised **that we have presumed a 0% discount.** Other **INVOICE** reflected discounts which may be offered, by the manufacturer on a random basis, are not included in this guide but may be used to compute the minimum price. This chart shall be effective from and after the date hereof until superseded.

General Tobacco
